Description

Reading instruction; implications for teaching intermediate and secondary school subjects. (UBC Calendar)
There are no prerequisites for the course. Equivalency: LANE 472.

Course Objectives

The objective of the online course is to provide the participant with knowledge of instructional strategies and possibilities of teaching content area material in today's diverse classroom settings.

As a participant you will:

1. Develop an understanding of the special challenges which cultural, linguistic and achievement differences create in today's classrooms and explore the ways in which these impact on content area reading.
2. Learn how to integrate electronic texts and trade books into the curriculum.
3. Learn how to make authentic assessments through the use of standardized and naturalistic approaches as well as through portfolio to assessment.
4. Develop strategies to teach core text lessons and thematic units through the creation of an inquiry/research focus.
5. Learn how to integrate reading, talking and writing to learn through the study of vocabulary and concepts; prior knowledge and interest, study strategies and study guides.
6. Formulate a long-term professional development plan.

Overview

Part One: Teaching and learning with texts

Module One: Reading matters **Module Two:** Learning with textbooks, trade books and electronic texts

Module Three: Making authentic assessments

Module Four: Bringing students and texts together
